

**COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH
TRANSITION-AGE YOUTH SYSTEM OF CARE**

Transition Age Youth (TAY) Division

TRANSFER OPPORTUNITY

RESTRICTED TO DEPARTMENT OF MENTAL HEALTH EMPLOYEES

CLINICAL PSYCHOLOGIST II

The Transition-Age Youth (TAY) Division is seeking candidates interested in joining a dynamic countywide administrative team, located at DMH headquarters, that is responsible for planning, implementing, and monitoring various new, existing, and unique projects that focus on services and supports to Seriously Emotionally Disturbed (SED) and Severe and Persistently Mentally Ill (SPMI) TAY ages 16-25.

Essential Job Duties:

- Reviews and evaluates MHSA Prevention and Early Intervention (PEI) resource materials and makes informed recommendations to DMH and Service Area leadership regarding implementation of appropriate Evidence-Based (EBP), Promising, and Community-Defined Practices.
- Provides training, consultation, and technical assistance to directly-operated and contracted providers regarding implementation of various practices for SED and Co-Occurring Disorders (COD) for the TAY population.
- Participates in the development of data collection methods for client outcome measures, and program performance for the various TAY programs and services. Works collaboratively with TAY providers to ensure compliance with data collection requirements.
- Develops policies and guidelines for the various TAY programs to facilitate improvement of service delivery.
- Participates in the preparation of various MHSA TAY progress reports.
- Participates in the development of new, unique, and innovative programs and projects targeting the TAY population.
- Represents DMH and the TAY Division by participating in various inter-departmental, intra-departmental, and constituent workgroups.

Desirable Qualifications:

- Recent related experience in data collection and analysis.
- Demonstrated ability to validate data and produce accurate reports for departmental, local, state, and public dissemination.
- Excellent verbal and written communication skills.
- Excellent organizational skills and the ability to function under pressure in a demanding environment.
- Computer skills to navigate various data collection software programs.
- Psychology License issued by the California State Board of Psychology

Interested individuals currently holding the title of Clinical Psychologist II are encouraged to send a resume and letter of interest **no later than 5:00 PM on Friday, February 15, 2013 to:**
